Authorpreneur

Celeste is the published author of more than 50 novels between two pen names.

After nearly 16 years in the classroom, Celeste is now a full-time author, entrepreneur, independent publisher, and mentor.

Celeste is a multi-time Amazon Category Bestseller as a Historical Romance author. She's transferred her love for teaching into working with aspiring and emerging authors to help them focus their goals and create plans to be successful published authors.

Celeste offers individual consulting to assist authors on their path to publishing success. She provides a free 30 minute consultation and hourly services as well as discounted packages. Contact her for rates.
